## Barrow's Self-Empowerment Education Day for Stroke Survivors & Caregivers

The 2015 Barrow Stroke Rehabilitation Symposium Planning Committee is pleased to offer the Barrow Self-Empowerment Education Day for Stroke Survivors and Caregivers. This program will focus on providing the stroke survivor and caregiver with information about community resources, advocacy, and changes that affect you due to having and dealing with a stroke. We will provide a forum for the stroke survivor and caregiver to get information and ask questions specifically related to their particular issues.
